

KEY RESUMES

Brad J. McFarland
Project Manager

Education

In 1980, Brad McFarland received a Drafting and Design Certificate from Northeast Institute of Technology. He has also studied Structural Engineering at Northeastern University and Architectural Design at the Boston Architectural Center.

Professional Experience

Brad started with Yergensen, Obering & Whittaker in 1996 and has over 20 years of extensive architectural experience. Prior to working with YOW, Brad was employed with Higginbotham/Briggs & Associates in Colorado Springs. During the past 8 years, he has acted as Project Manager for many projects including major renovation work, light manufacturing facilities, biotechnology and laboratory space, warehouse facilities, office buildings, health care facilities and shopping centers.
